"I can't thank you enough for the way you have looked after my mum and before that my dad – your endless kindness, patience and professionalism is outstanding, and you also know how to keep everyone smiling and having fun. We always feel welcome in the home when visiting and look forward to the endless cups of tea and kind words on offer."

Welcome to Currergate Nursing Home

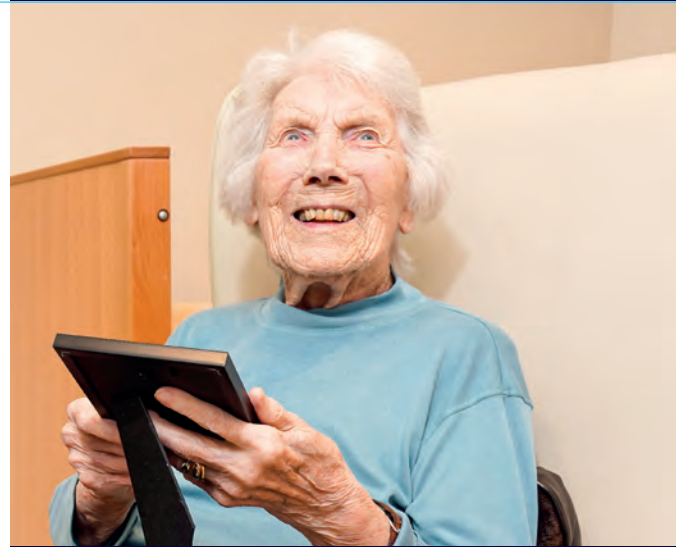

Situated in Steeton between Skipton and Keighley, our popular home is one of the few nursing homes in the region to be awarded the prestigious Gold Standard Framework accreditation, in recognition of our exceptionally high standards.

We have completed a £1.5m refurbishment and development project creating a stunning extension with 15 new en-suite rooms with fabulous views. In total, our dedicated and experienced team care for up to 47 people at Currergate Nursing Home.

With plenty to enjoy from daily exercise classes, coffee mornings, sing-alongs and outings – there is always something to join in with and our home is also open to family members and visitors.

As well as the Gold Standard Framework, Currergate Nursing Home is also accredited as an Investors in People organisation, demonstrating our commitment to developing staff and ensuring continuous improvement. The home also boasts an impressive infection control rating and a Care Quality Commission (CQC) 'good' rating.

Currergate Nursing Home opened in 1982. Czajka Care Group, which is independent and family run, has owned and run the home since 2003.

Choosing to live at Curregate Nursing Home

Choosing a nursing home can be a difficult decision – there are so many things to consider and it's essential you find the right home with the best type of care for you or your loved one.

Curregate Nursing Home is staffed 24 hours a day and provides quality accommodation, nutritious meals, individual help with personal care needs and we always have a registered nurse on duty.

A homely, comfortable environment, our team at Curregate Nursing Home delivers the highest levels of care and service, so that residents feel safe, happy and thrive.

True wellbeing for people of any age comes when they are connected to their communities and have support and contact from people who genuinely care, and that's what we provide at Curregate Nursing Home.

Life at Currergate Nursing Home

At the heart of our nursing home is the beautiful oak panelled lounge where residents can relax, socialise and watch television or listen to music. There's also a large conservatory with patio doors, so residents can enjoy our fantastic terrace and gardens.

All rooms are fitted with quality furniture, an individual nurse call system, telephone point and television. We always encourage residents to bring personal items such as small items of furniture, photographs, ornaments and other treasured mementoes to help make their room their own. A number of ground floor rooms have patio doors which open out onto the terraces and gardens.

The nursing home also has high speed WiFi so residents can use the internet and stay in touch with family and friends using social media and video calling.

There is a lively programme of activities, trips out and visits from pets as therapy dogs and Sunshine the pony, as well as plenty of themed events to celebrate special days. With accessible flower beds our residents can enjoy gardening as well as plenty of occasions outside.

Fabulous food at Currergate Nursing Home

Mealtimes are vitally important for our residents and often a real focal point of the day, as well as an opportunity to socialise, so we take pride in always making them thoroughly enjoyable.

Residents can choose to have their meals in the large dining room and are also welcome to enjoy a drink from our well stocked bar, or people may prefer to eat in their rooms, which we can easily accommodate.

Generally, residents love our traditional dishes the most, with roast dinners and tasty pies with creamy mash and gravy always popular, and we always ask our residents for their feedback so when we are preparing our seasonal menus there is something for everyone. The star of the show though is fish Friday, when we serve up a traditional fish supper, and that stays on the menu regardless of the season!

Our team at Currergate Nursing Home

"We would like to thank you from the bottom of our hearts for the love and care you have shown our aunty."

"I know that B was well looked after and felt safe and secure in your care."

"Everyone at Currergate Nursing Home is so positive and sympathetic to the needs of the residents, which are many and varied."

"A huge thank you to all of your cheerful helpers who always put on such fabulous social occasions, not only for those living with you but for relatives too - it makes all the difference."

"Everything at Currergate Nursing Home is spot on - residents are treated with dignity and respect and that care is also extended to their families - we really value the support."

We are very proud of our loyal and long-serving team, who work incredibly hard to achieve high standards day in, day out.

Our experienced manager oversees all aspects of the home as well as leading our team of more than 50. Providing day care, respite care, full-time care and end of life care, many of our professional and caring team have been with us for decades.

Our doors are always open for people to come and look round, which we feel is the best way to get a real feel for the place. Our friendly staff always make time to answer any questions and are great at listening, and there is always a cup of tea or something to eat on offer!

Retirement Homes at Currergate Mews, Steeton

As well as our wonderful nursing home we also have an exclusive development of 14, three-bedroom houses set within our landscaped grounds in the beautiful Aire Valley.

Currergate Mews offers residents over the age of 55, a safe and secure environment within our Grade II listed building's four acres of mature gardens. All the houses are available to buy outright, or on shared equity terms, as well as some being available to rent.

All the homes at Currergate Mews are built using Yorkshire stone and are finished to an exceptional standard with contemporary kitchens, high quality carpets, door entry security systems, allocated parking areas, landscaped gardens and intruder alarms.

Our whole ethos at Currergate Mews is about giving people the opportunity to live independently, in their own house, but with the reassurance that help, and assistance is close-by if it's ever required.

Residents can take advantage of all the on-site amenities that Currergate Nursing Home offers including its restaurant, meal delivery services, cleaning services, 24-hour care as well as our on-site maintenance team.

Our core values are:

- Compassion
- Adaptability
- Respect
- Excellence
- Safety
